MAY 2021

A Message from the Principal

I am so excited that, on April 12, many of our students were able to return to school in person for the first time in over a year. The staff spent a great deal of time planning, preparing, and communicating with students and families in order to ensure that all of the necessary materials, procedures and practices were in place and understood to keep everyone safe. On that special first day back, everyone did their part to make sure that the transition went smoothly as the children arrived for school. Children and adults enjoyed the opportunity to once again be on campus, in their classrooms, teaching and learning in person. Although we are wearing masks, sanitizing frequently, and maintaining an appropriate distance, we are so happy to once again have students on campus.

Due to a variety of reasons, some of our students remained on 100% Virtual Learning. Their transition to a new schedule was seamless, and everyone was quickly learning on their new schedule, whether virtual or in person. We are dedicated to making these last several weeks of school positive and productive for all of our Cougar Champs. Go, Team Cresson!

TK and Kindergarten Registration

Registration is open for new TK and Kindergarten students for Fall 2021. If you have a child in this age group or know someone else who does, please use the link below to begin the registration process. All of the information you need for registration will be there for you. If you need any further assistance, please call the school office at (562) 868-6620.
