JANUARY 2021

PRINCIPAL'S MESSAGE

Happy New Year, Cresson! Welcome back and welcome to 2021. The beginning of a new year is a time when people look forward to new possibilities, make resolutions, and hope for positive change and growth. After the challenges faced throughout the world and in our own neighborhoods in 2020, it is my dearest wish that 2021 is the beginning of a turnaround for all of us. We made it through the first four months of the school year by working together and supporting one another. As we continue to work as a team and hold onto the hope of a more positive tomorrow, we will make it to the other side and come out stronger than before. I am, as always, so proud to work with and for such a wonderful community of students, staff, and families. It is a blessing to serve Cresson. Here's to 2021!

JANUARY READING CHALLENGE

Hi, Champs!

Mrs. Gallegos created a reading challenge for you for the month of January. Click on the document below for the Reading Bingo page and start reading. When you have completed the tasks, take a picture of it and email it to cressoncougars@llcsd.net. All forms are due by January 27, 2021. Have fun!

THANK YOU

Hey, Cresson Families!

Thank you to everyone who supported Cresson's Drive-Through fundraiser at Chick-Fil-A on December 4. We raised more than \$450! We will plan more of these, so look for the announcements soon.

Thank you to everyone who participated in our Polar Express Drive-Through event. We handed out more than 160 goodie bags to children. Several staff members were there to wave at

students and families as they drove by. Santa Claus came to greet students as well. It was good to see so many of our children and parents.

WISH BOARD

A new year is a time when many people make resolutions for themselves for personal improvement or change in order to start the year off on a positive and hopeful note. Rather than having students and staff share resolutions for themselves, I thought it would be encouraging for us to share a wish for the world, our community, our friends and family, for the year 2021. From your responses, we will create and share a "Wish Board". If you would like to contribute, make a sign with your wish for 2021 (for the world, our community, your family, your friends) and have your parents take a picture of you holding it. Send it to cressoncougars@llcsd.net by January 22. Parents, please note that sending in a picture of your child constitutes permission to post it on our website.
