7.5 MODIFICATION

Changes in or additions to the bid forms, recapitulations of the item(s) bid upon, alternative proposals, or any other modification of the bid package which is not specifically called for in the bid package may result in LLCSD's rejection of the bid. Any interpretation or correction of the Bid Package will be made only by addendum issued by LLCSD, and a copy of such addendum will be provided to each prospective bidder registered under this bid.

No person is authorized to make any oral interpretation of any provision in the bid package, nor shall any oral communication be binding on LLCSD.

7.9 CONTRACT AWARD

LLCSD reserves the right to reject any bid and accept or reject any line items and to make any combination of line item awards, or to waive any irregularities or informalities in any bids or bidding. If two identical low bids are received from responsible bidders, LLCSD will determine which bid will be accepted pursuant to Public Contract Code Section 20117. The award of the contract will be by action of LLCSD’s board of education and to the lowest responsible and responsive bidder from among those bidders responding to the ‘Notice Calling for Bids.’ In the event an award is made to a bidder and such bidder fails or refuses to execute the agreement and provide any required documents within ten (10) days after notification of the award of the contract to the bidder, LLCSD may award the contract to the next lowest bidder until the lowest responsive, responsible bidder accepts or releases all bidders.

LLCSD intends to award the contract in its best interests. The right is reserved to reject any quotations to waive any informality in bids, and to accept or reject any item. The award will be based on factors such as price, past service, current service availability, delivery performance, durability, quality, and verified references.

LLCSD does not guarantee that all items on the bid will be purchased. LLCSD reserves the right to purchase additional quantities at the bid prices during the term of the agreement.

7.10 SUPER CO-OP APPROVED DISTRIBUTOR

LLCSD is a ‘member district’ of the Super Co-Op, A California United States Department of Agriculture (“USDA”) Foods Cooperative. The successful bidder under the bid must be an approved distributor or must complete a memorandum of understanding (an “MOU”) for distribution services for delivery of USDA foods end products for Super Co-Op member districts in the State of California. The bidder agrees to fulfill all provisions of that MOU, including but not limited to, prompt USDA foods end product sales reporting, maintaining records of inventory, sales, and delivery, and clearly stating value pass through on delivery invoice; and hold/recall responsibilities, with prompt communications to the District.

The bidder agrees to report sales of USDA foods end products on behalf of the processor on a daily basis to the manufacturer’s reporting agency, i.e., ProcessorLink, K-12 Foodservice, etc. Prompt reporting is imperative to ensure proper draw down of member district entitlement balance. The Bidder is responsible for all costs for transmitting daily sales updates. Value Pass Through method and amounts shall be clearly indicated on all invoices for USDA foods end products.

7.11 PRICING

Pricing for distribution shall be offered in two categories: (1) Processed USDA Foods end products and commercial equivalents, and (2) additional commercial food products (frozen and refrigerated products).

7.11.1 USDA Commodity Foods and USDA Commodity Processed Food Products: Contractors shall utilize manufacturer pricing for USDA commodity foods and USDA commodity processed end-products from the following solicitation documents released and awarded by the Super Co-op lead agency, San Mateo-Foster City School District.

Request for Proposal No. SUPER-01-24. Administrative Services and Direct Delivery USDA Foods for Super Co-Op Member Districts. Release and Advertisement of RFP Super-01-24, October 30 and November 26, 2023. Award notifications transmitted December 15, 2023. Results of RFP Super-01-24 can be found at: www.super-coop.org by selecting "RFP 2024-2025." Documents may also be requested via email from District contact person at contact email.

Quote a per case delivered cost for all items listed on the Bid Form Price Worksheet. Provide prices for the items only as specified on the Bid Form Price Worksheet. Equal products may be offered that meet the same specifications as those listed. If an equivalent product is offered, provide the name of the item, brand, product code, pack size, portion size, ingredients, nutrition information and Buy American information.

7.11.2 Commercial Food Products – Frozen and Groceries: Additional commercial food products – frozen and groceries should be quoted as specified on the 'Bid Form Price Worksheet.' Quote a per case delivered cost for all items listed.

7.11.3 Additional Items: Additional items may be added to this bid. LLCSD will contact the successful bidder for pricing on additional items to be added to the bid award at any time during the bid period.

Prices must be stated for the unit items specified and do not include California state sales or use taxes in unit prices. This tax will be added and paid for by LLCSD, if applicable, except for federal excise tax from which LLCSD is exempt.

All pricing shall be quoted FOB District location(s) as specified in the Delivery Specifications section 10.17 of the agreement. All freight charges must be included in the bid price. Minimum delivery amounts must be listed with the bid price. No charge for packing, postage, express, or for any other purpose will be allowed over and above the prices bid.

Bids are on each item separately. Errors in price computations do not relieve the bidder from holding price. No increase to price will be allowed sooner than ninety (90) calendar days from the date of the bid award.

7.12 BRAND NAME

If the bidder does not indicate a specific brand name and product code, it shall be understood that the bidder is quoting the exact brand name and product code called out by the bid. Should any item for which bids are requested be patented, or otherwise protected or designated by the particular name/make of the manufacturer, and the bidder desires to bid on an item of equal character and quality, the bidder may offer such substitute items by clearly indicating that such substitution is intended and specifying the brand name. Any such substitutions will be accepted only if the District determines them to be equal in all respects to that specified in the bid. If LLCSD requests samples in order to make the determination on whether the

substitution is as equal, the samples shall be submitted in accordance with 'Samples' section 7.13.

7.13 SAMPLES

Any samples requested by LLCSD will be furnished to it at no cost, and, if requested, will be provided prior to the bid opening. LLCSD reserves the right to reject the bid when any bidder fails to submit the requested samples. Samples from bidders who are awarded the contract may be retained for comparison with deliveries. The bidder or its agent assumes all risk of loss or damage to samples regardless of the cause.

7.14 QUANTITIES AND LIMITATIONS

LLCSD does not guarantee orders in the amounts within the bid nor shall orders be limited to these specific figures. This is an indefinite-quantity bid, however the quantities listed are a good faith estimate. Bidders shall not specify minimum or maximum quantities or charges for order types, unless specifically allowed on the bid form. Unlimited orders within the term of the agreement are allowed at prices quoted. Estimated quantities of items are for forecasting and are not a promise to purchase.

The provisions of the agreement shall in no way prohibit LLCSD from making an incidental purchase from another supplier for the same services listed.

7.15 FAILURE TO BID

If a bidder does not wish to bid on any item, it may state "no bid" where indicated for the specific item. For the purposes of calculating the bidder's total bid, LLCSD reserves the right to use the highest bid price received by it from other bidders for the bid item marked "no bid," line items left blank, without a price, or incomplete.

For example, if LLCSD receives two bids and Bidder A provides "no bid" for Chicken Strips while Bidder B provides a price of \$15 for Chicken Strips, LLCSD will add \$15 to Bidder A's total bid amount.

7.16 AMENDMENTS

Bidders are advised that LLCSD reserves the right to amend the requirements of the 'Notice Calling for Bid' prior to the date set for opening of bids. Revision will be done formally by publishing amendments to LLCSD's website and emailing all participating bidders. LLCSD may change the date of the bid opening and notify all bidders in writing of the new date.

Bidders must acknowledge receipt of any amendments to bid on the bid form.

7.17 COMPETENCY

In selecting the lowest responsible bidder, consideration will be given not only to the financial standing but also to the general competency of the bidder for the performance of the work covered by the bid. By submitting a bid, each bidder agrees that LLCSD, in determining the successful bidder and its eligibility for the award, may consider the bidder's experience and references, conduct and performance under other contracts, financial condition, reputation in the industry, and other factors which could affect the bidder's performance. To that end, each bid will be supported by a statement of the bidder's experience as of recent date on the form entitled 'Bidder Information' and 'Reference List' item 5 on page 10 of the bid package.

7.18 BID VALIDITY

The bids are valid and in force for ninety (90) days after opening.

7.19 PUBLIC INFORMATION

All material received by LLCSD in response to the 'Notice Calling for Bids' is available to the public. Bidders will indicate if any of their materials are proprietary or confidential.

7.20 BID COSTS

LLCSD will not pay the bidder or agents for any costs incurred by the bidder in the preparation, presentation, demonstration, or negotiation of the bid.

7.21 QUESTIONS

Bidders may submit any questions regarding bid procedure or requirements to LLCSD at jvargas@llcsd.net on or before the time identified in the Schedule of Events, section 7.1. LLCSD will prepare an addendum to address all timely submitted questions which will be posted on LLCSD's website at <https://www.llcsd.net/departments-services/purchasing-services/current-bids/>. Hard copies of LLCSD's addenda can be obtained by calling the district buyer at, (562) 868-8241 Ext. 2268.

7.22 PROTEST PROCEDURES

Any bidder may file a bid protest. The protest will be filed in writing with LLCSD no more than five (5) business days after the bids are made public. The protesting bidder will provide an e-mail address and protesting bidder consents to receipt of e-mail notices for purposes of the protest and protest related questions and protest appeal, if applicable. The protest shall specify the reasons and facts upon which it is based.

7.22.1 Resolution of Bid Controversy

Once the bid protest is received, the apparent lowest responsible bidder will be notified of the protest and the evidence presented. The apparent low bidder may be given an opportunity to rebut the evidence and present evidence that the apparent low bidder should be awarded the contract. LLCSD may hold an informal hearing. LLCSD will issue a written decision within ten (10) days of receipt of the protest, unless factors beyond LLCSD's control prevent such resolution. The bid protest decision will be copied to all parties involved.

7.22.2 Finality

A decision concerning bid controversy will be final and not appealable. Failure to comply with the bid protest procedure waives the right to protest.

11.6 BUY AMERICAN CERTIFICATION

The Richard B. Russell National School Lunch Act’s (the “NSLA”) ‘Buy American’ provision that school food authorities (the “SFA”s) must follow these guidelines when purchasing food and food products used in the child nutrition programs. Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Public Law 105-336) added a new provision, Section 12(n) of the NSLA (42 USC 1760(n)), requiring SFAs to purchase domestically grown and processed foods to the maximum extent practicable.

Section 12(n) of the NSLA defines ‘domestic commodity or product’ as one that is produced and processed in the United States substantially (greater than 51%) using agricultural commodities that are produced in the United States.

There are two situations which may warrant a waiver to permit purchases of foreign food products include: the product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality; and 2) competitive bids reveal the costs of a U.S. product is significantly higher than the foreign product.

If the Contractor offers a non-American product, the Contractor must list the product below. Non-American products are subject to review by the District. If the District declines a waiver, the product will be awarded to lowest priced item meeting award criteria. The District’s decision on approval of foreign substitutions will be final.
