Rev 4/3/2023

Stone Soup delights in connecting with families through our “Parent Boards”, and for so many years we have utilized this special designated area to display important information, daily events, pictures, projects, announcements, and much more.....

Unfortunately, as schools implement closed campuses, access to these “Parent Boards” is no longer an option. In an effort to continue connecting with families, we ask that you complete this form and provide us with the information that will allow us to correspond effectively throughout this school year.

Assertive Practices

A good learning environment provides each child with knowledge, discipline, care and concern. Each child must enjoy school, feel supported by teachers and feel safe in his/her environment for educational, social and psychological development to occur.

To provide optimum care for your child, we expect specific behaviors from him/her. We have outlined these patterns below and have also listed the disciplinary measures that will be taken if your child deviates from these patterns.

The student will:

- Follow school rules
- Obey authority
- Be a willing participant in the program

The student will **NOT**:

- Use profanity
- Leave the assigned area
- Disrupt the activities of the program

The following behaviors are considered **SEVERE**. The consequences of these actions may result in the child's suspension or even expulsion from the program. Depending on the severity of the act, the consequences may be **IMMEDIATE, with no prior notice given.**

1. Harming other children or staff with malice or threatening to do so.
2. Carrying a weapon.
3. Leaving the area.
4. Possession, being under the influence, or selling alcohol, drugs, tobacco, or its paraphernalia.
5. Habitual profanity or obscenity.
6. Habitual defiance of authority
7. Damaging, stealing, or attempting to steal school or private property.
8. Severe disruption of school activities.
9. Robbery or extortion.

I agree to the Assertive Practices
