Dear Lakeland Parents,

I want to thank all of our parents and families for making the first month of school a success! Our teachers and staff have spent time reviewing rules and procedures with students and are now vigorously working to educate all of our students. We have also started our Response to Intervention model where student's achievement data is used to ensure instruction is tailored to each individual's needs. Our teachers continue to work tirelessly to ensure that all students' needs are met and that we continue to provide a high quality education.

As we presented during Back to School, this is our first full year of Positive Behavior Interventions and Supports (PBIS). With PBIS comes exciting new things to Lakeland. We are focusing on rewarding students for positive behaviors by hosting weekly drawings for prizes. Students may win prizes by submitting their ROARS tickets. Students can also win

class prizes for Golden Tickets, which classes can earn by demonstrating positive behavior as a whole. In addition, we are hoping to increase student attendance. Our goal is to have a 97% attendance rate. Students with 100% attendance (no absences, no tardies, and no early release) for the month will be invited to Party on the Playground. Our first Party on the Playground will be on October 11, 2018. Also, please join us at the end of the month for our Spooky Story Night on Monday, October 29th!

Yours,  
Principal Baltierrez-Manohorathat
