TRIMESTERS 2023-2024

The Lakeside Middle School year is divided into trimesters. This means that the school year is divided into thirds. Approximately every 12 weeks you will receive a report card to show you and your parents how you are doing in school. About every 6 weeks you will receive a progress report. The report cards will be sent to your parents by mail and you will also receive one to keep in your learning log. You will take progress reports home with a signature page for parents to sign.

All classes, including extended studies classes, are on the trimester system.

First Trimester: August 16 – November 9

Second Trimester: November 13 – February 23

Third Trimester: February 26 – June 6

INTERVENTION/ENRICHMENT CLASSES

Intervention/Enrichment classes meet 1st period and are extensions of the academic classes designed to enrich and offer extra help. They are graded with a letter grade and a citizenship grade. SBAC and common assessment scores determine initial placement in these courses.

Every six weeks the school interventionist will evaluate students' scores on common assessments and District Benchmarks to determine placement for the next six weeks. However, please note that classes such as AVID, Band, Chorus, and Journalism are year-long commitments, therefore students must be eligible to be enrolled in September.

Enrichment Classes – *Initial placement in these courses require SBAC score of Standard Met and/or Standard Exceeded in Language Arts and Mathematics.*

- Band (Year Long)
- Chorus (Year Long)
- Journalism (Year Long)
- 6th Grade Enrichment
- Leadership

ENRICHMENT FOR ALL - SESSION 6

During the last 6 weeks of the school year, all students will have the opportunity to take an Enrichment class during 1st period. Surveys will be distributed so students can choose 3 or 4 classes that they are interested in.

Students that have fallen below the proficiency line on a common assessment will be provided an intervention for support. We not only want to celebrate those that are proficient, but encourage students to work towards proficiency. We offer many interventions to help students attain the goal of proficiency.

Every Student Reading is a challenge to all students to read, read, read! At Lakeside Middle School we pride ourselves on being a community of readers. Students read for a minimum of 15 minutes each day during silent sustained reading (SSR). Students are expected to read an additional 30 minutes at home.

STUDENT AWARDS

The Lakeside staff has established student awards to recognize and celebrate student achievement. Some of these awards are presented at the end of the school year, and some are ongoing with qualified students receiving recognition on a monthly basis. In order to be considered for some 8th grade awards, students **MUST start working in the 6th grade**; these special awards are based on 6th, 7th, and 8th grade academic and/or citizenship performance.

SUPER MUSTANGS: 2.5 – 2.99 GPA, No “D’s” or “F’s”, No “N’s” or “U’s”, No Suspensions/ Truancies

HONOR ROLL: 3.0 – 3.99 GPA, must have a “B” Average, No “D’s” or “F’s”, No “N’s” or “U’s”, No Suspensions/ Truancies

GRADING POLICY

- Students will receive a grade in four core subjects (math, ELA, science and social studies).
- The grade will be based on two common assessments per trimester as well as teacher given assignments.
 - o Trimester I - common assessments 1 & 2
 - o Trimester II - common assessments 3 & 4
 - o Trimester III - common assessments 5 & 6

Final Grades

- The final grade in the four core areas (math, ELA, science and social studies) will be cumulative.
- The final grade in physical education, intervention/enrichment courses, and electives will be the same as the achievement grade.
- GPA is cumulative for all courses.
- Progress Reports will reflect the grade, not progress, for 6-week classes.

PROMOTION AND PARTICIPATION

• The current Board of Education policy states that 8th grade students not meeting standards in the areas of academics, citizenship, and/or attendance **will not be** permitted to participate in end-of-the-year activities.

This includes the following:

- o Students must have a minimum grade point average of 2.0 for the 8th grade (cumulative). All classes will be included as part of the GPA.
 - o Students must not be absent 21 or more days throughout the school year.
 - o Students must not receive 5 or more “U’s” in citizenship throughout their 8th grade year in all classes.
- These standards also apply to all 6th and 7th grade students in regards to end of the year activities.

ATTENDANCE

- Regular and punctual attendance is necessary for school success.
- Excessive absences and tardies are **NOT** acceptable.
- For students who are absent, Lakeside requires a note from the parent or guardian on the day the student returns.
- Students are also responsible for asking their teachers for make-up work when absent. **This is not the responsibility of the teacher.** It is also up to the discretion of the teacher to give make-up work to students who are absent due to extended trips, vacations, or any other unexcused absence.
- Students who do not bring a note upon return have to do so within 2 days, or it is considered truancy.
- Nutrition detention will be assigned to students who do not bring a note.
- When a student is absent a parent must call the Lakeside office at 562-868-9422.
- A note is required even if a parent phone call was made.
- For an early release, parents must sign the child out in the attendance office and have a doctor’s note when returning.

READMITTANCE

- Every time a student is absent, a readmit slip is required on the day of return.
- Readmittance takes place in the attendance office, which opens at 7:40 am. Students must give their note signed by a parent or guardian to the attendance clerk.
- Students are to enter through the back door; do not cut through the front office.
- **Students must get the readmit before school; students will be tardy if they do not have their readmit before the tardy bell.**
- Students must get each teacher's signature on the readmit and then leave it in their 6th period class.

TARDINESS

- It is the responsibility of ALL students to be on time for school and ALL classes. Students who enter class late, in addition to missing crucial instruction, disrupt the entire class.
- A 5-minute warning bell rings in the morning and 4-minute passing periods are provided between classes.
- **Students who are not in homeroom class and in their seats when the 8:00 am bell rings must report to the attendance office.**
- Nutrition detention will be assigned on that day for any unexcused tardy.
- Tardies may only be excused for the same reasons as an excused absence (medical appt., ill, etc.).
- Failure to attend nutrition detention will result in a lunch detention the following Monday.
- Chronic tardiness will be referred to the administration.
- Tardies in excess of 30 minutes constitute truancy.

PERFECT ATTENDANCE AWARDS

- Monthly "On-Time" awards are given to the homeroom with the fewest tardies.
- Annual perfect attendance awards are given to students with zero absences for the school year.
 - Perfect attendance means zero absences.
 - Excused absences disqualify students from perfect attendance awards.
 - Perfect attendance means no tardies or leaving early from school.

Engaged in an act of bullying. For purposes of this subdivision, the following terms have the following meanings:

(1) "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

(3) "Reasonable pupil" means a pupil, including, but not limited to, an exceptional needs pupil, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with his or her exceptional needs.

SEARCHES

As part of the principal's investigation of the facts, if the principal or administrative designee has a reasonable suspicion that a particular student has committed a violation, the principal may search the student by ordering the student to empty his pockets, by conducting a "pat down" search, or by searching a student's locker, book bag or purse. We also employ Interquest Detective Canine Services as an additional comprehensive detection and deterrence program which reduces the presence of drugs, alcoholic beverages, abused medications and weapons on campus and school grounds. (Ed Code 48900

K) New Jersey vs. T.L.O., 105 S. St. 733 (1985) If the Canine positively identifies the personal belongings of a student, then the student needs to be picked up by the parent/guardian to have their belongings washed and will be issued appropriate interventions.

POSITIVE BEHAVIOR PLAN

At Lakeside Middle School we enlist the help of teachers, staff, parents, and students to help create a positive learning environment. The creation and maintenance of this positive learning environment is based on three “Do No Harm” principles:

DO NO HARM:

- **To Yourself**
- **To Others**
- **To the Environment**

So that effective teaching and learning can occur on a daily basis.

SCHOOL ID POLICY:

Lakeside is committed to maintaining a safe and secure campus for everyone. It is therefore necessary, at this time, for students, staff and visitors to wear identification visible to all. All students must wear an UNALTERED Lakeside school ID at all times while on campus. The ID card is to be clearly visible, attached to clothing and located on the front of the body, above the waist. This card must not be lent to, or worn by, any other person. Students who lose/deface their ID or come to school without it must purchase a new ID at a cost of \$5. (The students will be provided with their first ID card at no cost.) Failure to comply with the policy is in violation of school rules and will have appropriate consequences.

BEHAVIOR MANAGEMENT PLAN

In the event that the positive behavior plan is insufficient in remedying poor behavior choices, the behavior management plan will be enacted. Administrative referrals are made **only after** the classroom progressive discipline plan has been exhausted. Parents will be notified by mail of all administrative referrals. Consequences from administrative referrals are as follows:

- Conference with Assistant Principal
- Phone Call Home
- Nutrition Detention
- Lunch Detention
- Referral to Counselor
- Parent Conference with Administrator
- After School Character Development
- “Choices” Program
- Class Suspension
- In-House Suspension

Lakeside Middle School has banned gang-related dress styles due to concerns about the safety of all students and thus the following will not be permitted on campus. Students wearing gang attire become a target for violence even if they are not gang members. Local law enforcement officials indicate that the following types of dress contribute to gang association and violence (**Education code 32282**):

- Oversized, baggy clothing, including pants (waists & legs), white T-shirts and tank style undershirts.
- Oversized belts, insignia or initial belt buckles, steel-toed boots.
- Athletic jerseys (shirts) or clothing with Raiders, White Sox's, Georgetown or Kings logos.

Students who misplace their loaner clothes may pay off their debt for \$5. Clothing will only be returned to a parent. We will notify (via school newsletter or memo) the dates and times that the items will be available for pick-up.

If students are ill during class or between classes, they must obtain a pass to the health office from the teacher prior to coming to the health office. **In an accident or emergency, the student should go directly to the health office. In case of an accident on the grounds, summon the teacher or any other staff member on duty. Report all accidents / injuries to a staff member. Parents, please keep updated contact information on file.**

Students should exit cars only at the curbs east and west of the main office, not in front of the office, on the parking island, across the street, or in the parking lot. Parents who wait for students should park their cars at the curb; not in the driveway or on parking island. Students may cross only at the crosswalks. Students are not to cross in the school driveway. Parents are asked to use the second parking lot by Fairford Street for dropping off and picking up students; this area provides safety for students.

BICYCLES

Lakeside provides bicycle racks in a designated area on the grounds so that students may have a safe place to put their bicycles while they are in class. Bicycles **MUST** be locked when parked on school grounds. For the student's protection, it is required that the bicycle be licensed with the Sheriff's Department (L.A. Co. Ordinance 3027). The school is not responsible for damaged or stolen bicycles. Bicycles are to be walked on campus at all times; this includes all sidewalks and driveways. Those who choose not to follow these rules will **NOT** be allowed to bring their bicycles to school.

California law requires that all students riding bikes to school wear a helmet. Students not wearing helmets will have bikes held for the parent to pick up.

LIBRARY/MEDIA CENTER

Lakeside has a library and developing media center. The books and other materials are for each student's use; please take advantage of this opportunity. The hours that the library will be open may be obtained from teachers. Each student is responsible for the books they check out, also returning them in a timely fashion so that they may be enjoyed by others. Lost or damaged books must be paid for by the student. The library will be open during nutrition and lunch for students. Parents must sign a library agreement allowing students to check out books. Students who do not return library books will be placed on the debt list. **Report cards will be withheld until the debt has been cleared.**

TEXTBOOKS

At Lakeside, textbooks are issued to students from the library free of charge. It is suggested that the book numbers be listed in a notebook or other safe place to use in reclaiming, if lost. Students must take good care of all books as they will need to be returned in good condition at the end of the year or trimester. Students are not to write in or deface textbooks. A fee will be charged for damaged or lost books and report cards will be held for any textbook charges during the school year. Parents must sign a textbook agreement, prior to the student being issued a book for use at home. Students who do not return textbooks will be placed on the debt list. **Report cards will be withheld until the debt has been cleared.**

ASSEMBLIES

Students are expected to be courteous and considerate during assemblies. Guest speakers form opinions about Lakeside based on behavior observed at assemblies.

STUDENT INSURANCE

The Little Lake City School District does **not** provide medical or dental insurance to pupils injured on school premises or at school activities. Information and applications for student insurance are sent home for all families who do not have a current insurance plan. Contact the office for additional information.

LIABILITY OF PARENTS

Any act of willful misconduct of a minor which results in any injury to the property or person of another shall be the responsibility of the parents. This includes, but is not limited to, vandalism, graffiti, willful destruction of school or personal property, and/or acts of violence against another person.

EMERGENCY PROCEDURES

Emergency drills (fire, and/or earthquake) are conducted regularly at Lakeside. Students are responsible for knowing all emergency procedures and the safest exit route from all classes and school buildings. Exit procedures are posted in all rooms. In the event that a serious emergency occurs during the school day, students will be kept at school and released only to a parent/guardian or another individual so authorized.

TELEPHONE USAGE

The school office phones are for business only and are not routinely available to students, except should there be an EMERGENCY. The office will not be taking messages for students and interrupting instruction; please remember to communicate with your child. Note: forgotten lunch money, homework, books, and P.E. clothes are not considered emergencies and we will not interrupt class. Also, **P.E. clothes will not be accepted in the office.**

Technology gives students, teachers, and parents greater opportunities to learn, engage, communicate, collaborate, and develop skills that will prepare them for work, life, and citizenship. Best Practices for Social Media Use

- Be Aware that Privacy Settings are NOT Foolproof. Lakeside Middle School students are highly encouraged to use privacy settings on social media sites. However, students should be aware that privacy settings are not a guaranteed safeguard against potential online threats.
- Avoid Posting Confidential Information. Be aware of the kind of information you are posting on social media sites. Everything you post can be seen by others including county, state, and federal criminals worldwide.
- Avoid unprofessional public profiles and/or comments. Any information you put on social media sites are considered public information and may be viewed by members of the public. Be mindful of the image you create for yourself online. Your posts and/or comments are a direct reflection of you. Do not post things that you may regret later and do not post things that may likely cause harm to others.
- Avoid posting illegal activities. Photos posted on social media become the property of the social media site. You may delete the photo from your profile but the photo may still be accessible to others.
- Avoid Bullying/ Threats of Violence. Bullying is a serious problem and is not limited to physical student to student interactions. Social media sites are commonly used for acts of cyberbullying. It is important that Lakeside students refrain from any acts of bullying online.
