Hello Jersey Parents,

October came and went! Our Jersey students and staff had an amazing month in and out of the classroom. October was Anti-Bullying Awareness Month. Our counselors, Mrs. Delgado and Mrs. Robles, did a great job organizing activities with our students throughout the month that focused on anti-bullying and creating healthy friendships. Students participated in a scavenger hunt to find new friends they shared something in common with. Students also signed an anti-bullying pledge.

On October 10th, our 5th grade students participated in the annual Walk-to-School Day. The walk is designed to bring awareness of a healthier lifestyle to our students and community.

On October 12th, our Jersey teachers participated in an educational and fun-filled day of professional development focused on Next Generation Science Standards (NGSS) facilitated by our district Science Teacher on Special Assignment (TOSA), Erin Dunroe, in collaboration with UCLA. Our teachers participated in a scavenger hunt to learn about NGSS. Teachers spent the afternoon creating and launching rockets, and got to experience lessons first-hand. They left ready to implement new lessons in their classrooms over the next couple of months.

Jersey also recognized Red Ribbon Week during the week of October 22nd. All students had the opportunity to sign an anti-drugs pledge. Our PTO organized an incredible Red Ribbon Week with daily themed attire and did an outstanding job decorating our school for the Santa Fe Spring Parade with the help of many amazing parents! The winners of the poster contest had the honor of riding in a special car for the parade and all of our students and staff viewed the parade from the grandstands at Jersey. A great big THANK YOU to everyone who made Red Ribbon Week possible!

Yours,
Principal Frenes-Gomez
