

Studebaker's Uniform Policy

Parents overwhelmingly support Studebaker's uniform policy which continues to foster a safe and orderly environment within the school, as well as promotes a sense of school pride in our students.

The basic school uniform for Studebaker is as follows:

T-Shirts: Specially designed Studebaker t-shirts (sold through the PTA) may be worn instead of a collared shirt.

Shoes: Any plain style, safe closed shoe may be worn. No open-toe or open back shoes or sandals are allowed. Laced shoes should have plain laces and tied securely. Ballet flats are not permitted for safety reasons.

Jewelry/Make-up: Only small stud earrings are permitted. No hoops or long earrings are permitted due to safety reasons. Make-up is not permitted.

Beads, rings, bracelets and necklaces present safety hazards on the playground and during physical education. We ask that students leave these items at home. Exception: Medical IDs.
