Dear Parents,

William Orr School has a mandatory uniform policy. All students must wear the school uniform every day. Studies show that uniforms improve both student achievement and student behavior. The mandatory uniform policy and dress code are in place to support your child's safety as they go to and from school, to support their time on task in the classroom and to encourage teamwork/school spirit.

**We ask that you please support the district and site efforts by ensuring that your child wears his/her uniform each day and follows the proper dress code.**

**As you prepare to go school shopping this summer, please keep our policy in mind.**

***Our school uniform is as follows:***

**Tops:** Polo shirts with a collar. (Solid colors: red, blue, white or yellow) Girls' blouse with a collar or boys' button down dress shirt can also be worn. William Orr shirts are also acceptable.

**Bottoms:** Navy blue slacks, shorts, skirts, skorts, jumpers or dark navy blue jeans. Navy blue sweatpants may be worn on rainy or very cold days.

All clothing must fit appropriately and cannot be oversized or too tight.

The uniform can be purchased at all major department stores, including Target or Walmart. If you have any question or concerns regarding our uniform policy, please contact the office or your child's teacher.

Sincerely,

*Rebecca Casillas*
